

Conference: «The Roles of a Research Scientist in the New Economy»

Data: martes, 3 decembro, 2013 -12:00 -
13:30

Lugar: Salón de actos do
CITIUS

Poñente(s):

Francisco Javier Sardina (CiQUS (Centro de Investigación en Química Biolóxica e Materiais Moleculares) - Universidade de Santiago de Compostela)

Abstract

An overview of the long-range trends of wealth and jobs creation and their relationship with innovation and research will be presented. Several possible roles that a research scientist can (and should) play in innovation-based industries will be discussed in the context of a case study centered on the Fashion Industry.

About Sardina

F.
