The seventh edition of the Iberian Conference on Pattern Recognition and Image Analysis, IbPRIA 2015, will be held in Santiago de Compostela (Spain), June 17-19, 2015.

IbPRIA is an international conference co-organised by the Spanish AERFAI and Portuguese APRP chapters of the IAPR International Association for Pattern Recognition.

IbPRIA is a single track conference consisting of high quality, previously unpublished papers, presented either orally or as a poster, intended to act as a forum for research groups, engineers and practitioners to present recent results, algorithmic improvements and promising future directions in pattern recognition and image analysis.
