Centro Singular de Investigación  
en **Tecnoloxías Intelixentes**

**Deputy Director**

Dra. Paula López Martínez

[citius.usc.es](http://citius.usc.es)

## Personal Information

<b>Name</b>	Paula López Martínez
<b>Current position</b>	CiTIUS Deputy Director
<b>Professional category</b>	Associate Professor of Electronics
<b>ORCID</b>	0000-0002-8218-8945
<b>Website</b>	<a href="http://citius.usc.es/v/paula-lopez-martinez">citius.usc.es/v/paula-lopez-martinez</a>

## Profile

BSc in Physics, University of Santiago de Compostela, 1997

PhD in Physics, University of Santiago de Compostela, 2003

## Career path

2003-2004	Postdoctoral researcher at the Fraunhofer Institute for Integrated Circuits, Erlangen, Germany
2004-2009	Isidro Parga Pondal Fellow at the University of Santiago de Compostela
2009-present	Associate professor, University of Santiago de Compostela
2020-present	Deputy Director, Centro Singular de Investigación en Tecnoloxías Intelixentes (CiTIUS)

## Other information

Her research interests include the design of mixed signal integrated circuits particularly CMOS image sensors and energy harvesters for biomedical applications, and the physical modeling of electronic devices. As a result, Paula López Martínez has authored or coauthored more than 80 peer-reviewed scientific papers in these areas. She has also participated in the organization of several national and international conferences. She is an IEEE member and has served as Treasury of the IEEE Women in Engineering (WIE) Spain from 2006 to 2008.
